King George VI Bibliography Canada & Newfoundland

Introduction

The King George VI Bibliography is a BNAPS George VI Study Group project with the goal of assembling published references relating to the postage stamps and postal history of Canada and Newfoundland during the King George VI period. Version 1 of the KGVI Bibliography summarizes information gleaned from BNA TOPICS Volumes. 1 - 10 and our Study Group's newsletter, the Post & Mail, Issues 1 - 6.

Each reference in the bibliography is listed under one of some 48 categories listed on the Table of Contents found on page 3. Certain Handbooks and Publications cited in Version 1 of the KGVI Bibliography and these are listed below, cross-referenced by Bibliography Section for convenience. The Adobe SEARCH function can also be used to search references by keywords and phrases.

Hopefully Study Group Members will find this Bibliography useful. Members are invited to forward additional references for inclusion in future versions of the KGVI Bibliography.

1938 Pictorials & 1939 Special Delivery Issues

In **BNA TOPICS Vol. 1, Issue No. 1** (March 1944), **F. Walter Pollack's** article entitled "*Some Standard Catalogue Corrections*" provided background relating to the 1938 10¢ Memorial Chamber and Special delivery Stamps. In the same article in **Issue No. 1**, Walter wrote how the catalogue listings for No. E7, E8 and E9 are confusing and misleading. These subjects were picked up again by "**Click**" in his "GRATE SCOTT" series, **BNA TOPICS Vol. 3, Whole Nos. 26 & 27** (June/July 1946).

BNA TOPICS Vol. 3, Whole No. 26 (June 1946) contains a photographic image of the Upper Left (Pl. 1) pane of the 13¢ Halifax Harbor stamp found imperforate. **Rev John S. Bain** reported that the sheet had been cut up for distribution by Mr. Henry Gates of Detroit, Michigan and a number of well known collectors apparently obtained blocks for their collections.

In **BNA TOPICS Vol. 4, Whole No. 40** (Sept 1947), **W. Worth Davis** provided a brief description of the plate numbers and pane layout for the 1938 10¢, 13¢ Pictorials, the 1938 Airmail and the 1939 Special Delivery.

Military Mail & Postmarks

In **BNA TOPICS Vol. 1, Issue No. 9** (Dec 1944), **Major Ian C. Morgan** wrote a three page article on Canadian Military Postmarks. Interestingly, this was the first "Postal History" article to appear in TOPICS and possibly could be considered the forerunner of research that eventually led to the extensive works on Canadian Military Postal History published under the auspices of BNAPS.

Numerous references and articles on Canadian military postal history appear in subsequent issues of TOPICS but as this subject is so well covered in various BNAPS Publications and through the BNAPS Military Mail Study Group newsletter, it is felt inclusion in "**King George VI Bibliography**" is unnecessary. The following publications are suggested as source documents for this area.

- "Canadian Military Postal History Anthology", 1991, by BNAPS
- "Canadian Military Post Offices to 1993", 1994, by W.J. Bailey and E.R. Toop
- "Canadian Military Postal Marking", 1996, by William J. Bailey and E. Richard Toop
